THE "GET-PAID-READY" MASTER EXECUTION BLUEPRINT

Actionable Step-by-Step Gateway Setup: How to Register, Apply, Deliver via Hermes & Receive Direct USD Payouts into Your Indian Bank Account

1. DIRECT REGISTRATION GATEWAYS (ONBOARD IN 15 MINUTES)

PLATFORM / CHANNEL	DIRECT LINK	FAST-TRACK ONBOARDING ACTION	PAYOUT METHOD
Outlier AI	outlier.ai	Sign up as AI Trainer / Evaluator. Pass 15-min English & reasoning test.	PayPal / AirTM (Weekly / Instant)
Alignerr	alignerr.com	Complete LLM alignment & fact-checking assessment via Labelbox.	Deel / Bank Transfer (\$20-\$60/hr)
DataAnnotation	dataannotation.tech	Take the initial starter assessment evaluating two chatbot answers.	PayPal (On-demand instant cashout)
Contra	contra.com	Create profile as Web Developer / AI Operator. 0% commission on contracts!	Direct Bank Transfer / Stripe
Upwork / Fiverr	upwork.com	List services for "Custom Landing Pages", "Python Scrapers", "AI Operations".	Wise / Payoneer / Direct Wire

2. SETTING UP YOUR INDIAN BANK PAYOUT PIPELINE (THE 3 CORE ACCOUNTS)

STEP 1: WISE Open a Wise Personal / Business Account (wise.com):

- Gives you real US/EUR virtual bank account details (Routing Number, Account Number) to receive direct client ACH payments.
- Auto-converts to INR at live Google exchange rates (0.5% fee) and sweeps into your SBI/HDFC account with digital e-FIRA.

STEP 2: PAYPAL Link Your Indian Bank to PayPal (paypal.com/in):

- Enable "Automatic Daily Transfers" in settings so all USD earnings from Outlier/DataAnnotation convert and deposit into your bank overnight.

STEP 3: DEEL Deel Contractor Account (deel.com):

- Used by Alignerr, Invisible, and global clients to pay you in USD, EUR, or USDC with single-click withdrawal to Indian banks.

3. HOW TO COMMAND HERMES TO BUILD CLIENT DELIVERABLES INSTANTLY

When a client assigns you work, drop the request in our chat: • **Need a Landing Page?** Say: "Build a landing page for an AI Fintech app with dark theme." Hermes outputs full responsive HTML/CSS in 60 seconds.

- **Need a Scraper / Automation?** Say: "Write a Python scraper for remote job listings." Hermes codes and tests the script immediately.
- **Need a Technical Report?** Say: "Compile an investor PDF on AI market trends." Hermes formats and renders a zero-void PDF monograph ready to deliver.

YOUR IMMEDIATE 3-STEP ACTION PLAN:

1. Register on [Outlier.ai](https://outlier.ai) and [DataAnnotation.tech](https://dataannotation.tech) to unlock daily \$20-\$40/hr AI evaluation tasks.
2. Create your [Contra.com](https://contra.com) profile and link your [Wise](https://wise.com) / [PayPal](https://paypal.com) account for instant payouts.
3. Accept client requests and let Hermes ghost-build the deliverables under your command!
