AGENT GHOST-DELIVERY & GLOBAL PAYOUT PIPELINES

A Comprehensive Blueprint for Executing Client Freelance Deliverables Autonomously & Collecting Direct USD Payments to Indian Bank Accounts (\$500-\$5,000 / Project)

1. THE AGENT GHOST-DELIVERY OPERATIONAL MODEL

How the Ghost-Delivery Model Works:

- You Land the Project:** You bid or accept client work on freelance platforms (Contra, Upwork, Fiverr, X / Twitter direct outreach, or agency clients).
- Hermes Executes Under Your Command:** You forward the client's specifications to Hermes. Hermes writes the code, designs the complete responsive website/landing page, authors the research monograph, or builds the automated data pipeline in minutes.
- You Review & Deliver:** You verify the final deliverable and hand it directly to your client under your own name and agency brand.
- You Keep 100% of the Client Fee:** The client pays you in full for professional-grade work delivered at 10x market speed.

3. HOW YOU GET PAID: THE 5 GLOBAL-TO-INDIA PAYOUT PIPELINES

PAYMENT CHANNEL	HOW CLIENT PAYS YOU	HOW MONEY ENTERS YOUR INDIAN BANK	SETTLEMENT SPEED & FEE	LEGAL & TAX COMPLIANCE (FIRC)
1. WISE BUSINESS / PERSONAL	Client sends USD / EUR via local bank transfer or debit card to your Wise account.	Automatically converts to INR and deposits into your SBI/HDFC/ICICI bank account via NEFT/IMPS.	Instant to 24 Hours Fee: ~0.5% (Best FX rates in the world)	Provides automatic digital e-FIRA (Foreign Inward Remittance Advice) for zero tax friction.
2. PAYONEER	Client pays via credit card, ACH transfer, or freelance platforms (Upwork, Fiverr).	Auto-withdraws in INR directly to your Indian bank account on file.	1 to 2 Business Days Fee: ~1.5%~2.0%	Provides automated digital FIRC downloadable directly from Payoneer dashboard.
3. CONTRA DIRECT PAYOUTS	Clients pay with Stripe / Credit Card with 0% platform commission fee .	Direct wire transfer or payout via Stripe / Payoneer to Indian bank accounts.	24 to 48 Hours Fee: 0% Contra fee!	Clean invoice generation with full international client transaction records.
4. STRIPE VIA WYOMING LLC / ATLAS	Client enters credit card on your custom invoice or payment link.	Transfers from US Mercury/Relay Bank to India via Wise, or held in USD.	Instant to 2 Days Fee: ~2.9% Stripe card fee	Allows complete privacy, corporate anonymity, and direct global card processing.
5. CRYPTO / USDC (SOLANA / ETH)	Client sends USDC / USDT directly to your self-custody wallet address.	Off-ramped to INR via regulated Indian exchanges (CoinDCX, WazirX) or P2P.	Sub-Second (Instant) Fee: <\$0.01 on Solana	Subject to 30% VDA flat taxation if converted via domestic crypto exchanges.

THE GOLDEN RULE FOR ZERO-TAX COMPLIANCE IN INDIA (SECTION 44ADA):

- Section 44ADA (Presumptive Taxation for Freelancers):** If your gross foreign freelance earnings are below **₹75 Lakhs per year**, you only have to declare **50% as taxable income** and pay standard slab rates on the remaining 50%, with zero audit requirements!
- GST Exemption:** Service exports from India are classified as "Zero-Rated Export of Services" under GST with a Letter of Undertaking (LUT), meaning you pay **0% GST** on foreign client income!
